Support the 2010 ArtsErie United Fund

You Need the Arts

- The arts reach the hearts and souls of over 400,000 people in the Erie region.
- Your donation will help reach those people in the community who don't have the means to be inspired by arts due to income, disabilities or other barriers.

- By creating vibrancy to life, the arts help recruit and retain the people living and working in Erie County.

- The arts provide an economic impact of nearly \$15 million each year.

- Last year, 30 arts organizations were supported by the ArtsErie United Fund. Your single gift, collectively with others, reaches a broad spectrum of our local arts community and enables all to thrive.
